My registration in this school is considered as expression of my willingness to abide with all the standing rules and regulations of USL and whatsoever may be prescribed by the School Authorities from time to time.
I hereby agree to pay all assessed fees and obligations before the end of the School Year. Should I drop/withdraw my studies, I agree to pay the assessed fees according to the provisions sanctioned by Dept. Ed. and stipulated in the USL Handbook which states, ***"A student dropping from the school after enrollment shall be charged for his/her fees in accordance with the Manual Regulations for Private Schools, Article XIII, Section 66. When a student registers in a school, it is understood he/she is enrolling for the whole school year. A student who withdraws in writing within the first week of classes may be charged 10% of the total amount due or 20% if within the second week of classes regardless of whether or not he/she has actually attended classes. The student may be charged all the fees in full if he/she withdraws any time after the second week of classes. However, if the withdrawal is due to justifiable reason (i.e. serious illness) he/she should be charged the pertinent fees only up to the last month of attendance."***
